

Architectural Committee(AC) approval is required for new construction, changes to your home including paint color, landscaping and removal of trees over 4" inches in diameter on your property. If you plant in Commons, they become the property of the Assoc. Under no circumstances should you place personal property in, on or over Commons areas, or cut a live tree down/ remove major tree limbs without AC approval. To submit your property plans please email [videradrivehoa@yahoo.com](mailto:videradrivehoa@yahoo.com)
